About the Property

NEW LISTING - RARE MULTI-GENERATIONAL OPPORTUNITY This is NOT your typical home — and it's not meant to be. At 15 W Bolton Ave, you're getting THREE separate living spaces under one roof... offering flexibility you simply won't find in most homes. Main residence with classic charm, 9' ceilings & beautiful woodwork - TWO private, connected suites — each with living room, bedroom & full bath - Ideal for extended family, aging parents, adult children, guests, or home office setups This home was designed for real-life living situations — where space, privacy, and flexibility matter. Important: If you're looking to downsize, this is NOT the home for you. If you need space for multiple generations or flexible living... this could be exactly what you've been wai ...
