About the Property

Northend Historic District • 1922 coastal residence • Dual covered front porches • Fenced rear yard • Detached garage • Walkable beach and dining location Set within Ocean City's desirable Northend Historic District, 406 Central Ave presents a rare opportunity to update and personalize a classic shore home rich with original character and timeless architectural appeal. Built in 1922, this 4-bedroom, 2-bath residence offers three levels of living space, dual covered front porches, a fenced rear yard, and a detached one-car garage. A traditional floor plan begins with a welcoming foyer entry, opening to a formal living room, central staircase, and dining room positioned at the heart of the home. The kitchen includes a breakfast nook, while the first floor also features a sizabl ...
