About the Property

4-bedroom home featuring an en suite bathroom plus an additional main bathroom, a 2-car garage, a large basement, and a spacious yard. The property offers excellent proximity to the Atlantic City Expressway, local restaurants, shops, and the AtlantiCare Health Park. The home includes a septic system, city water, and an inground pool that requires a new liner and rehabilitation. The lot provides ample outdoor space and flexibility for future use. Located in an area with Highway Business zoning, the property may offer potential for commercial redevelopment. Suitable as a rental or for a variety of residential or business-oriented needs.
