About the Property

Charming 3-Bedroom Rancher with Solar Panels and Park Views Welcome home to this beautifully maintained 3-bedroom, 2-bath rancher perfectly situated on a desirable corner lot. Enjoy effortless living with an open floor plan, abundant natural light, and modern energy efficiency thanks to the leased solar panels that help keep utility costs low. The inviting living area flows seamlessly into a bright, updated kitchen—ideal for family gatherings or weekend entertaining. The primary suite features its own private bath, while two additional bedrooms offer flexible space for guests, an office, or a hobby room. Step outside to your fully fenced white vinyl backyard, where you can relax, garden, or watch the sunset with a clear view of the local park just beyond your fence. The spacious two-c ...
