About the Property

Welcome to this well-maintained 5-bedroom, possible 6-bedroom home offering plenty of space for a large family! Enter through the front door to the main upper level featuring a spacious living area that flows into the dining room and kitchen complete with stainless steel appliances. Beautiful hardwood flooring runs throughout much of the home, and the bedrooms are conveniently situated off to the right side of the main living space. The lower level offers endless possibilities with additional potential bedrooms, another full bathroom, and plenty of flexible living space perfect for guests, a home office, playroom, or extended family. A large basement provides even more storage potential. Step outside to enjoy the oversized fenced-in backyard complete with a patio area, ideal for entertaini ...
