About the Property

Welcome to lakefront living in the highly desirable Little Egg Harbor! This completely renovated 3-bedroom, 2-bath home has been thoughtfully updated from top to bottom and is truly move-in ready. Featuring an open-concept layout perfect for entertaining, the home offers a spacious living area that flows seamlessly into a stunning four-season sunroom with a wall of windows overlooking the peaceful lake views. The beautifully updated kitchen features vaulted ceiling, quartz countertops, stainless steel appliances, and modern finishes that perfectly complement the home's fresh, contemporary design. Enjoy peace of mind with all major upgrades already completed, including a new roof, siding, windows, septic system, water heater, mini-split HVAC systems, gutters and a vapor barrier in the crawl ...
