About the Property

Solid brick home in desirable Hammonton, New Jersey! Built in 1948, this 3-bedroom, 1.5-bath home offers classic construction, great potential, and plenty of space to make it your own. Features include an open kitchen and dining area, a full upstairs bedroom with ensuite half bath and cedar closet, plus a full unfinished basement ready to be transformed into additional living or recreational space. Located on a quiet street within walking distance to Hammonton's vibrant downtown, you'll enjoy easy access to restaurants, breweries, shopping, and local amenities. A standout feature is the 30' x 24' pole barn, formerly used as a working woodshop—perfect for a workshop, studio, man cave, she shed, or hobby space. The roof was replaced on the house in November 2025, and the home is ...
