About the Property

IMPROVED PRICE! ALL APPROVALS IN PLACE ~ Spectacular New Construction Bayfront Home– Steps to the Beach Experience the best of coastal living in this exceptional new construction bayfront residence, ideally located just two blocks from Ventnor’s pristine beaches and iconic boardwalk. Offering over 4,200 square feet of thoughtfully designed living space, this custom-built home features 6 bedrooms, 6 full bathrooms, and breathtaking bayfront views throughout. Designed for both luxury and convenience, the home showcases an elevated Gunite pool directly off the main living area, with rear stair access leading to a private floating IPE dock, 2 deep-water boat slips, and a brand-new composite bulkhead. An elevator services every level, while the oversized two-car garage features a durable ...
