About the Property

Fall in love with this Vineland rancher featuring a partially finished basement and a private backyard oasis. The main floor offers a welcoming living room with a cozy wood stove, a large eat-in kitchen with tile floors, and two bright bedrooms with classic wood flooring. Downstairs, the heated basement adds extra living space with a secondary family room, a wood stove, a home office, and separate laundry utilities. The fully fenced backyard is a true retreat, boasting a low-maintenance tiered deck with a built-in gas grill, a screened-in freestanding gazebo, and a spacious storage shed with electricity. Conveniently located with thoughtful updates, this home is ready for its next owner.
