About the Property

Luxury living starts here! Nestled on over 2 acres and backs up to more than 300 acres of protected forest in The Reserve at Rolling Hills, this custom Pond and Spitz executive home offers unmatched privacy, timeless design, and refined details - just minutes from Hidden Creek Golf Club. Approximately 3,400 square feet of living space includes 4 bedrooms and 2 1/2 baths, a designated home office, and a bonus first floor flex room that can serve as a 5th bedroom. The gourmet kitchen features granite countertops, extensive cabinetry, SS appliances including a double oven, and an oversized window that brings in abundant natural light. Enjoy soaring vaulted ceilings and a gas fireplace in the living room, which is filled with natural light through custom Andersen Windows. Solid hardwood f ...
