About the Property

15.8 wooded acres with a pond and more! Good for the hunter or nature lover-get away from it all. The 3 bedroom, 2 bath home is set back off of the road for privacy and features an updated kitchen and bath, living room with airtight woodstove, and a large bonus room perfect for entertaining! Seller has installed 5 mini-splits with heat and a/c in the last year and replaced the roof in May of 2026. The oversized 2 car detached garage includes an office area--perfect for working from home. The seller will also leave the charging station for electric vehicles if you are interested! So much more! Schedule your appointment today. Please do not drive down driveway without an appointment. Pets on premises. More photos to be added.
