About the Property

We had been searching for our “dream” home for quite a while. From the moment we stepped inside we knew we had found something special, and it was the perfect place to raise our family, and to host friends and family. Our favorite memories include gathering around the kitchen island and sunroom on weekends and holidays, hosting cookouts by the pool, enjoying movie nights by the great room fireplace, and watching the sunset from the back deck with a nice blaze from the firepit. This home was made for hosting. We have hosted countless dinners, game nights, and birthday parties in the open-concept living area which has an eclectic large fireplace. We love how easily guests can mingle inside and flow out onto the backyard. It’s a place that thrives on laughter and good company. Moorest ...
