About the Property

This custom-built home offers 5 bedrooms, 2.5 baths, and is nestled on 5.75 private acres, providing the perfect blend of space, privacy, and country charm. Rich in character, the home showcases original woodwork from the original owner, including a stunning living room fireplace surrounded by beautiful custom craftsmanship and hardwood flooring throughout the first floor. The living room flows seamlessly into the formal dining room, creating an inviting space for gatherings and entertaining. The spacious kitchen features ample cabinet storage, updated stainless steel appliances, and a cozy breakfast nook. An additional office or den provides flexibility for working from home, a playroom, or a quiet retreat. The first floor includes two bedrooms and a full bath, while the second level of ...
