About the Property

3 years NEW exclusive bayfront living with Coastal designer decor and upgrades throughout this spacious home -- offering exquisite sunsets daily that you can enjoy this summer! From the ground floor bonus den with a kitchnette, full refrigerator and 1/2 bath leading out to a breath-taking heated 15x10 crystal clear pool and stone patio all set with a TV, beer stein, pool equipment storage, grilling area with gazebo plus a canoe rack. Extra large outdoor enclosed shower with lighting is privately on the side by the home. Complimenting evenings are strings of solar lights to keep the bayfront fun going! Brand new stairs, decking and pilings leading to a dock with solar outdoor lighting, cable railing, fish cleaning station with water and electric -- all leading to 3 boat slips and a swim lad ...
