## About the Property

This charming 2BR/2BA bungalow located on a desirable street on the border of Northfield and Pleasantville was completely renovated to the studs approx seven years ago. The home features new plumbing, new electrical, a new roof, new vinyl siding and a sprinkler system. Brand new water heater(1 yr), a new expansion tank, and a new well sump pump only 1 yr old(installed 2025). The interior boasts an updated kitchen with quartz countertops, deluxe vinyl plank flooring, and a tiled bath. Additionally, the solar panels generate an abundance of electricity, keeping monthly bills as low as \$5-\$20. The property includes a detached garage and a full unfinished basement, offering plenty of storage space. It is conveniently located near Margate/ Ventnor Beaches, local shopping, and is only a 10- ...
