About the Property

Tucked onto a prime corner lot in one of the most desirable beachside neighborhoods, this charming Longport cottage offers the rare opportunity to enjoy today while planning for what comes next. Ideally located just moments from the beach and local favorites like Catch and Ozzie's, the property captures the effortless lifestyle buyers seek at the shore. The existing 3-bedroom, 2.5-bath residence is filled with warmth and character, featuring ocean views from both the expansive covered front porch and second-floor balcony. Thoughtful updates include an updated kitchen, hardwood flooring, gas heat, central air, tankless hot water heater, vinyl cedar impression siding, garage, outdoor shower, and a private rear patio designed for relaxed summer entertaining. The second floor offers a spacious ...
