About the Property

POTENTIAL!!!! Brand new septic within the past 6 months, this 3 story home definitely needs TLC but for the right buyer, the space and size leave plenty to the imagination with unlimited possibilities. Offering 4 sizable bedrooms, a bonus room, eat-in kitchen, den, living room, dining room, and 2 full baths, this home is perfect for someone looking for room to grow. The home is currently serviced by oil, however, there is a gas hookup already at the house. The sellers started repairs but unexpected life changes are forcing them to sell. The flooring will be left for the next owner. This home is being sold as-is with the buyer responsible for their own repairs and inspections. Sellers are motivated!!! If you love the shore area, this home is in the perfect location. Within walking distance ...
