About the Property

This is the large corner lot home, in beautiful Hammonton, that you have been waiting for. So many things make this home ready to become your perfect oasis. Let's start with the newer roof, siding, central ac, and hot water heater. Worry free maintenance awaits! The convenient layout with two first floor bedrooms containing plenty of closet space, coupled with the 3 additional bedrooms in the finished basement provide plenty of living space for a large family, without the high tax cost of having those rooms as part of the above grade assessment. The full, mostly finished, basement is capped off with an oversized laundry / utility room creating plenty of space for work or storage. Now let's move to the exterior. The large, level, corner lot is adorned with fenced in space for your pets and ...
