About the Property

Historic downtown charm meets modern convenience! This warm and welcoming home has 3 bedrooms, 2 full baths, completely updated systems and a large, detached garage! Immerse yourself in timeless beauty with this lovely Craftsman-style residence, perfectly situated on a premier side street in the absolute heart of Princeton. Located just blocks from the University campus, this architectural gem captivates with dual front porches, a stately slate roof, and a custom paver driveway leading to a rare downtown luxury: a detached garage. The private back yard features an intimate slate stone patio and wood deck, ideal for effortless alfresco entertaining. Inside, the versatile layout includes a private-entry guest suite that is currently used as a den but can seamlessly reintegrate to expand the ...
