About the Property

Golf course location with bay views and riparian water rights. Experience coastal living at its finest in this stunning 4-bedroom, 3.5-bath home perfectly positioned on Brigantine's premier golf course and directly across from the bay. With sweeping views in both directions, this property delivers the rare combination of serene fairway vistas and sparkling bay views. Step inside to a huge family/media room with a full wall of cabinetry, beverage center, ice machine, microwave, and sink. Two bedrooms with 1 1/2 baths and additional room for an office that leads out to a covered deck, makes for generational living at its finest. The second floor is a sun-filled layout designed for both relaxation and entertaining. The modern kitchen features sleek cabinetry, high-end appliances, a spaciou ...
