About the Property

Peaceful on Pine! This one has the "country" look and feel all the way through. If you're looking to get away from the hustle and bustle, sitting on the outskirts of town is where you'll find this 4BR, 2BA (one fb located in master), bi-level. It's entertainment friendly, featuring a wide open kitchen that leads to a beautiful Florida Room. There's a sliding door off the Florida Room leading to a deck that overlooks a private lot (over a half acre). In addition, there's a massive living room area on the lower level, consisting of a brick face fireplace and your 4th bedroom. Your lower level will lead you to your 2 Car Garage. It even has its own wine cellar!
