$5,250,000

About the Property

This extraordinary bayfront residence is situated on one of the most desirable waterfront homesites currently available in South Jersey, offering one of the largest new construction bayfront lots on the market. The exceptional property boasts an expansive homesite with deep-water access capable of accommodating larger vessels, providing effortless boating and quick access to the ocean. Perfectly positioned to capture breathtaking panoramic views of the bay, the home offers spectacular sunsets, tranquil waterfront vistas, and dazzling evening views of the Atlantic City skyline. Thoughtfully designed and constructed with a focus on quality, durability, and luxury coastal living, the property also features professionally designed hardscaping and landscaping that create exceptional curb appeal ...
