About the Property

Bring your hammer and your imagination! Opportunity awaits in one of Ventnor's most desirable neighborhoods! Nestled on a quiet cul-de-sac, 611 Kingsley Drive offers endless potential for buyers looking to renovate, invest, or create their dream home. This 3-bedroom, 2-bath home features approximately 1,680 square feet of living space with a spacious layout, an attached garage, and a generous backyard ready for your vision. Surrounded by well-maintained homes and conveniently located near beaches, shopping, restaurants, schools, and everything Ventnor has to offer, this is a rare chance to purchase in an established neighborhood at an attractive price. Whether you're an investor or a homeowner looking for your next project, this fixer-upper is full of possibilities. ...
