About the Property

If you're looking for a cookie-cutter home, this is not it. This one-of-a-kind custom estate is a true masterpiece, offering exceptional craftsmanship, timeless elegance, and distinctive character throughout. Built with 58,000 bricks, 2x16 floor joists, and Andersen windows and doors, this home showcases quality and durability rarely found today. Inside, you'll find five spacious bedrooms, including a private mother-in-law suite with its own sitting room and separate entrance. A third-floor bonus room offers endless possibilities as an additional bedroom, game room, home office, media room, or fitness space. Custom handmade staircases, a stunning birch kitchen and entertainment center, and Italian marble, wood, and tile flooring reflect the home's exceptional craftsmanship. The luxur ...
