About the Property

Just three houses from the beach in the heart of Ocean City's most coveted neighborhood. 3701 Central is a massive 4,718-square-foot multi-family residence and is a versatile coastal asset with layers of potential, all steps from the sand. This isn't just a beach house — it's a short stroll to the surf. Currently configured as a functional 2-family home, the property features a large first-level 4 bedroom 3 full bath unit with substantial rental history and a sprawling 5 bedroom two-story unit above, offering abundant outdoor space for breathing in the salt air and seeing the ocean from just about every angle and level. Step inside to find a thoughtfully designed and recently renovated interior. The spacious kitchen and loving spaces serve as the home's social hub, perfect for those sl ...
