About the Property

Diamond in the rough! This 4-bedroom, 2-bath home offers plenty of potential for buyers ready to bring their vision to life. This property is located one block from the bike path, has huge rooms, new gas heat & central air, insulated windows. In need of renovation and updating, the home was recently occupied, making it a great option for investors, contractors, or buyers looking for a property they can customize and add value to. Situated on a generous 100' x 143' lot, the property features a fenced-in backyard, two large sheds, front porch, and back deck, offering ample outdoor space for entertaining, pets, gardening, or future improvements. Inside, the flexible layout includes a first-floor primary bedroom. Whether you're searching for your next renovation project, investment opportunity ...
