About the Property

This well-maintained two-story home offers 4 bedrooms, 3 full bathrooms, and a spacious layout designed for comfortable everyday living. Hardwood floors run throughout the home, while the updated kitchen features granite countertops, stainless steel appliances, and opens to the main living and dining areas. Just off the living space, the sunroom provides the perfect place to relax while overlooking the backyard. The first floor includes a full bathroom and a bedroom that can also serve as a home office or guest room. Upstairs you'll find three spacious bedrooms, including the large primary suite with a beautifully remodeled bathroom featuring a double vanity and a tiled walk-in shower. Outside, enjoy your own private retreat with a huge vinyl-fenced backyard, in-ground pool, and plenty of ...
