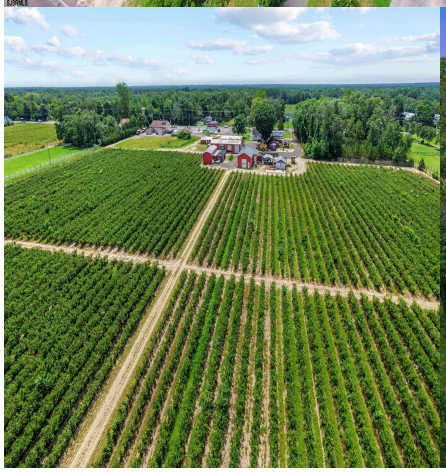
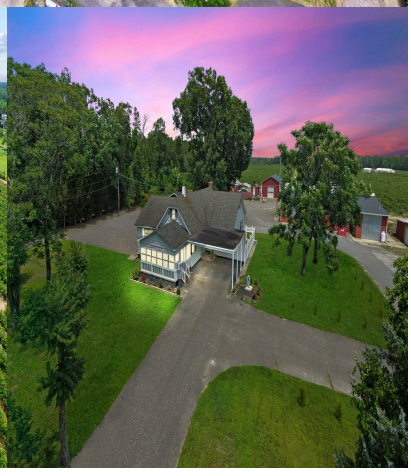
PROPERTY FOR SALE





Priced at

$1,600,000

About the Property

Ever dreamed of owning your very own blueberry farm? Here is your chance, and it's completely turnkey and ready for you to step right in, pick a name, and get farming! The property is 28.72 total acres, with 20 active acres of Duke blueberries. It delivers both a thriving agricultural business and a beautiful farmhouse. Designed with intention, this home boasts a perfect flow and lots of storage paired with incredible craftsmanship of custom trim, exposed beams, and tongue-and-groove ceilings. It is currently 3 bedrooms and 1.5 bathrooms. The primary suite is the ultimate retreat with a walk-in closet, a private attached screened porch, and an en suite bathroom that is already prepped, supplies purchased, and ready for your install to create a full bathroom oasis (this would turn the home ...
