About the Property

OPEN HOUSE AUG 8 & 9 FROM 11am-1pm.

More space than you expect and a backyard you're going to love! This charming ranch offers easy one-level living with a layout that gives you plenty of room to spread out. The original garage has been converted into additional living space, creating the perfect bonus room for movie nights, a home office, playroom, gym, game room or whatever fits your lifestyle. Inside, you'll find beautiful hardwood floors, a spacious eat-in kitchen with tons of cabinetry and counter space, an updated bathroom, and a convenient laundry room with washer and dryer. But wait until you step outside! The huge, beautifully maintained yard offers plenty of room for summer barbecues, a firepit, gardens, pets, play and entertaining. Need garage space? You've got it!
