About the Property

Newly Built Ocean View Property– Luxury Coastal Living & Exceptional Investment! Elevate your coastal lifestyle in this newly constructed 4 bedroom, 3 bath residence spanning the 2nd and 3rd floors, located just 1 block from the beach and the Ventnor City boardwalk. Unit B includes ground-level access from the 2 car garage with elevator service to the 2nd and 3rd floors, providing convenient vertical access to both living levels. The 2nd floor features 3 bedrooms, 2 full baths, and a bright open-concept kitchen and living area with an electric fireplace that opens to a porch. The 3rd floor is dedicated to the primary suite, complete with a private bath and access to a deck. The home is equipped with central air, forced-air heating, and a gas water heater for comfort throughout the season ...
