About the Property

Welcome to 414 Goshen Road, a one story single family home in Cape May Court House. This three bedroom home is close to area restaurants, shopping, year round in town events and the popular bike path. Perfect for a primary home or for a second home buyer who wants to purchase off island within a quick drive to area beaches. The layout of the home is pleasing, has a large kitchen and living area plus 3 nice sized bedrooms and a full bath. There is an attic space for extra storage. The interior just received a refresh painting. A big bonus is the one car attached garage. The home is all electric but the owner added solar panels in 2021 to help offset the cost. The monthly cost of the solar panel program is \$110.50 a month and per the agreement does not change for the entirety of the program. ...
