About the Property

LOCATION, LOCATION, LOCATION!

Welcome to 30 Hilltop Drive, ideally situated in a fantastic neighborhood and offering the space, flexibility, and outdoor lifestyle you've been looking for. This spacious 4-bedroom, 3.5-bath home has been updated throughout and offers so much more than the traditional floor plan. Who needs a basement when you have a main-level home gym, a dedicated movie room, plus an additional family room/den upstairs—giving everyone their own space to relax, work out, watch a movie, or just hang out! The main level features a bright, open feel with updated flooring, a spacious dining room, an updated kitchen with white cabinetry, breakfast bar seating, and plenty of workspace, along with a comfortable family/living area accented by beautiful exposed wood beams. The movie ...
