About the Property

Modern luxury meets elevated shore living at 811 N. Burghley, where sophisticated design and an exciting opportunity for expansion come together just steps from Ski Beach. The beautifully finished interior features fabulous marble flooring, an open-concept layout, and a showpiece chef's kitchen complete with Forno appliances, a ZLINE gas cooktop, oversized waterfall island, walk-in pantry, and designer coffee bar. Upstairs, the impressive huge primary suite spans the length of the home and offers a true private retreat with a fireplace, wet bar, custom lighting, dual oversized closets, and a spa-inspired marble bath with elegant gold accents. For buyers looking to take this home to the next level, the seller is offering an upgraded purchase option at \$1,299,000 that includes the additi ...
