About the Property

Welcome to a property that offers space, flexibility, privacy, and plenty of possibilities. Situated on over an acre on a corner lot, this 3-bedroom, 4-full-bath home features more than 3,200 square feet of finished living space with multiple areas that could work well for extended family, guests, a home office setup, or separate living spaces. The spacious primary suite feels like its own private retreat, complete with a walk-in closet, updated full bath, private entrance, and private deck. The bright, updated kitchen features recessed lighting, new appliances, and a built-in microwave/oven wall combination, while the sunroom offers year-round enjoyment with its own mini-split system. The finished walk-out basement adds even more usable space with a kitchen area, full bathroom, new drop c ...
