About the Property

This home has had a face lift where it truly counts. A new roof (2025), fully remodeled kitchen (2025), granite countertops, new bathrooms, and new flooring bring it firmly into the present, while a new driveway apron (2025), new sewer line from the street to the house, and a natural gas water heater (2024) mean the big-ticket infrastructure is already handled. Public water and public sewer service the home, with a window unit for cooling — no central air. Set back from the street with generous frontage, the home offers a sense of privacy rarely found at this price point, plus a backyard — more outdoor space to enjoy than most comparable listings in the area. A partially finished basement adds flexible bonus space ready to be finished to suit. With the major systems refreshed, this ...

Features
