About the Property

Welcome to a truly exceptional custom-built home offering 3,170 square feet of beautifully designed living space, a full finished basement providing an extra 1,500 sq ft, and more than five private, wooded acres. Meticulously maintained by its original owners, this property showcases quality craftsmanship and thoughtful upgrades everywhere you look. The spacious open-concept kitchen and family room form the heart of the home, featuring custom cabinetry, an oversized granite island, abundant natural light, and a striking floor-to-ceiling stone fireplace. Built-in surround sound in the home and outdoor living areas makes entertaining effortless. The expansive finished basement offers incredible additional space for a media room, game room, home gym, office, or guest accommodations. Outside, ...
