About the Property

Welcome to 101 Kensington Drive, a beautifully updated 4-bedroom, 2.5-bath home located in desirable Kensington Village at Historic Smithville. Situated on an oversized 0.30-acre end lot with peaceful pond views, this impressive Carter model offers approximately 2,903 square feet of living space, a side-entry garage, brick facade, sunroom, loft, and first-floor office. The sellers have thoughtfully refreshed the home with a brand-new kitchen, new bathrooms, new appliances, new flooring, fresh interior paint, and new garage doors, creating a truly move-in-ready property. Step inside to a dramatic two-story foyer filled with natural light. The first-floor office with glass French doors offers flexible space for working from home, a playroom, den, or additional guest space. The formal livin ...
