About the Property

Welcome to this fully renovated, 2-story home situated on 10 private and serene acres.

Offering endless possibilities, this extraordinary property includes two 5-acre lots extending all the way to Highland Blvd. The additional lot offers the ability to subdivide with an easement. Step inside through the enclosed front entryway into a bright layout featuring luxury vinyl plank flooring and recessed lighting throughout. The newly upgraded gourmet kitchen boasts white shaker cabinets with modern black hardware, quartz marble countertops, and stainless steel appliances. An enclosed back entryway provides added convenience and transitional space that can be used as a sitting room. You can relax with a morning coffee or take in the view of the stars at night. The spacious laundry room equipped w ...
