About the Property

NEW PRICE: \$285,000! Join us for an Open House on Saturday, October 17, from 12:00 to 3:00 PM. We look forward to welcoming you! More space than meets the eye! This home features beautiful Brazilian cherry hardwood flooring and a bright white kitchen with granite countertops, tile backsplash, ample cabinetry, and gas cooking. The finished lower level provides additional flexible living space, giving you extra room to make the home work for your needs. Outside, the deep 60 x 120 lot offers plenty of outdoor space, off-street parking, an elevated deck, and an oversized detached garage/workshop—perfect for storage, hobbies, or additional workspace. Conveniently located near shopping, dining, major roadways, and local amenities. Property is being sold as-is. ...
