About the Property

One of only a handful of true beachfront properties in the Gardens • 81' of direct ocean frontage • Buck Custom Homes • Private beach access • Panoramic Atlantic views Set in the exclusive Gardens neighborhood of Ocean City, this exceptional 2023 custom residence occupies one of the area's few true beachfront sites, with 81 feet of direct ocean frontage and sweeping Atlantic views. Built by Buck Custom Homes, designed by Halliday Architects and finished by Erin Deombeleg of Charlotte Hill Interiors, the home pairs refined coastal architecture with warm, highly detailed interiors. Yellow Alaskan cedar, copper roof accents and gutters, gambrel rooflines, stonework and Ipe decking establish the exterior. Inside, Mike Buck's signature compass rose inlay in the foyer sets the tone ...
