About the Property

Just a short walk to the beach and Boardwalk, this 4-bedroom, 3-full-bath single-family home combines a prime shore location with a spacious layout, quality finishes, and exceptional storage. The open main level features hardwood floors, oversized wood-trimmed windows, detailed white molding, and a gas fireplace surrounded by custom built-ins. The kitchen is finished with stainless steel appliances, textured granite countertops, a large center island, and generous cabinetry, flowing naturally into the dining and living areas. A large laundry/mudroom and full bath complete the first floor. A custom curved staircase leads upstairs to four spacious bedrooms, including a primary suite with a private tiled bath and walk-in closet, along with an additional full bath, loft area, and walk-up attic ...
