About the Property

Charming 3-bedroom, 2-bath ranch-style home built in 1990, offering a great opportunity for buyers looking to make a home their own or investors seeking their next project. This property features a functional layout, working central heating and air conditioning, and a newer well and water treatment system installed approximately 8 years ago. With plenty of potential, this home is ready for someone to bring their vision and personal touches to life. Property is being sold strictly AS-IS, with the seller seeking a quick sale. Please note that the roof has an active leak, with visible damage in the bathroom ceiling above the toilet, as shown in the listing photos. Washer and dryer are excluded from the sale. Don't miss this opportunity to purchase a ranch-style home with great potential! ...
