About the Property

Extraordinary beachblock luxury with spectacular ocean and sunset views! A truly one-of-a-kind coastal masterpiece by Lolio Architects! This newer-construction residence custom built by Christaldi offers an exceptional combination of architectural elegance, a sophisticated design, and a resort-style living, all just steps from the beach and boardwalk! From the moment you arrive, the striking architectural details of Bob Lolio, the expansive covered decks, and the impressive curb appeal set the stage for something truly special! Designed with luxury and entertaining in mind, this magnificent home features five spacious bedrooms plus two versatile bonus rooms offering the potential for seven bedrooms, four full bathrooms, and a four-stop elevator providing convenience throughout. Inside, no ...
